

**REQUEST FOR INFLUENZA VACCINE**

The Wayne County Department of Public Health will provide adult influenza vaccine free of charge to Wayne County physicians to administer to uninsured and underinsured clients.

Requirements:

Vaccine must be requested by a physician licensed to practice medicine in Michigan.

Vaccine must be administered to clients **without charge**.

Physicians must designate, in writing, the person who is authorized to pick up the vaccine from the Biologics area, Wayne County Department of Public Health, 33030 Van Born Road, Wayne, MI 48184. **Bring a cooler with cold pack.**

Vaccine is not returnable and **may not be transferred** to another provider.

Physicians must keep a record of to whom the vaccines were administered (name, address, and date of birth) and fax it to us (we will enter it into the MCIR system) within 30 days of vaccination.

By signing this form, the requestor acknowledges the requirements (below) and assumes all responsibility concerning the custody, care and use of the units of vaccine received.
