

Rouge Growing Green

A Series of Green Infrastructure Workshops

Rouge Friendly Landscaping: Native Plants for Better Water Quality

Learn about:

- Native plants
- Naturalizing riparian corridors
- Green infrastructure
- Grow zones
- Rain gardens

Workshop: Come learn what your communities and neighbors are doing with native landscaping and native plants to improve water quality, conserve water and create habitat.

Bus Tour: Join us for a Saturday tour to local parks, homes and areas of interest in the Rouge River Watershed.
