SCHOOL PROPOSALS

AIRPORT COMMUNITY SCHOOLS
BONDING PROPOSAL

Shall Airport Community Schools, Monroe and Wayne Counties, Michigan, borrow the sum of not to exceed Fifteen Million Seven Hundred Fifty Thousand Dollars ($15,750,000) and issue its general obligation unlimited tax bonds therefor for the purpose of:

- erecting additions to school buildings; remodeling school buildings; and preparing, developing, improving and equipping playgrounds and sites?

The following is for informational purposes only:

The estimated millage that will be levied for the proposed bonds in 2018, under current law, is 1.13 mills ($1.13 on each $1,000 of taxable valuation) for a .95 mill net increase over the prior year's levy. The maximum number of years the bonds may be outstanding, exclusive of any refunding, is twenty-one (21) years. The estimated simple average annual millage anticipated to be required to retire this bond debt is 1.71 mills ($1.71 on each $1,000 of taxable valuation).

The school district does not expect to borrow from the State to pay debt service on the bonds. The total amount of qualified bonds currently outstanding is $12,165,000. The total amount of qualified loans currently outstanding is $0.00. The estimated computed millage rate may change based on changes in certain circumstances.

(Pursuant to State law, expenditure of bond proceeds must be audited, and the proceeds cannot be used for repair or maintenance costs, teacher, administrator or employee salaries, or other operating expenses.)

ECORSE PUBLIC SCHOOLS
SINKING FUND BALLOT PROPOSITION

Shall Ecorse Public Schools, Wayne County, Michigan, levy three (3) mills (which is equal to $3.00 per $1,000 of taxable value of real and tangible personal property) against all property in the school district for a period of ten (10) years, 2018 to 2027, inclusive, for the purpose of creating a sinking fund to be used for the purchase of real estate for sites for, and the construction or repair of, school buildings, for school security improvements, for the acquisition or upgrading of technology as well as other purposes authorized by law? The estimated amount of revenue that the school district will collect in the year 2018 if the millage is authorized and levied will be $299,401. The proposed millage is the authorization of a new additional millage.
TRENTON PUBLIC SCHOOLS
BOND PROPOSAL

Shall the Trenton Public Schools, County of Wayne, Michigan, borrow the principal sum of not to exceed Fifty-Seven Million One Hundred Twenty-Five Thousand Dollars ($57,125,000) and issue its general obligation unlimited tax bonds for the purpose of defraying the cost of:

- Remodeling school district buildings and classrooms, including classroom improvements, roof replacements, mechanical and security improvements;
- Furnishing, refurnishing, equipping and reequipping school district buildings, including musical instruments;
- Improving and developing sites, including traffic flow, signage, structures, fencing, sidewalks, playgrounds, parking lots, outdoor athletic facilities and other improvements in the school district;
- Constructing additions to existing school district buildings, including a new high school pool, classrooms and flexible learning spaces, and expanding and improving cafeterias, gyms, and media centers, and constructing a new facilities and maintenance building; and
- Acquiring and installing technology infrastructure and equipment, including security technology and instructional technology equipment for students?

The estimated millage to be levied in 2018 to service this issue of bonds is 3.99 mills ($3.99 per $1,000 of taxable value) and the estimated simple average annual millage rate required to retire the bonds of this issue is 5.51 mills ($5.51 per $1,000 of taxable value). The bonds may be issued in one or more series, payable in the case of each series in not to exceed 30 years from the date of issue of such series. The School District currently has $27,220,000 of qualified bonds outstanding and $0 of qualified loans outstanding under the State School Bond Qualification and Loan Program. The School District expects to borrow from the program to pay debt service on these bonds. The estimated total principal amount of additional borrowing is $11,734,153 and the estimated total interest thereon is $15,840,185. The estimated duration of the millage levy associated with that borrowing is 36 years and the estimated computed millage rate for such levy is 7.43 mills. The computed millage rate may change based on changes in circumstances. (Under State law, bond proceeds may not be used to pay teacher or administrator salaries, routine maintenance or repair costs or other School District operating expenses.)

MACOMB COMMUNITY COLLEGE
STATE OF MICHIGAN

OPERATING MILLAGE PROPOSAL

This Proposal would permit the College to levy 1.464 mills for a period of twenty years, which will support general operations including technology. This Proposal combines, restores and continues prior operational and technology millages at the same level as initially approved by voters in 2000 for 1.464 mills, which are set to expire in 2020.

Shall prior authorizations increasing the limitation on the total amount of operating taxes which may be imposed on all taxable property within the Community College District of the County of Macomb, be replaced and continued in the amount of 1.4072 mills and increased in the amount of 0.0568 mills for a total authorization of 1.464 mills ($1.46 on each $1,000 of taxable valuation), for a period of twenty (20) years, 2018 to 2038, inclusive, to provide funds for operating purposes including technology? This operating millage, if approved and levied, would provide estimated operating revenues to the College of $38,000,000 during the 2018 calendar year.
