Important Notice from the CHARTER COUNTY OF WAYNE Regarding
YOUR PRESCRIPTION DRUG COVERAGE AND MEDICARE

If you (and/or your dependents) have Medicare or will become eligible for Medicare in the next 12 months, please read this important notice.

Please read this Notice carefully and keep it where you can find it. This Notice has information about your current prescription drug coverage with the Charter County of Wayne (Wayne County) and about your options under Medicare’s prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this Notice.

There are two important things you need to know about your current coverage and Medicare’s prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2. Wayne County has determined that the prescription drug coverage that they offer is, on average for all plan participants, expected to pay out as much as or more than the standard Medicare prescription drug coverage pays and is considered Creditable Coverage. Because your existing coverage with Wayne County is, on average, at least as good as or better than standard Medicare prescription drug coverage, you can keep this coverage, still use the same pharmacy network, keep the same affordable co-payments for prescription drugs, and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

What Happens to Your Current Coverage if You Decide to Join a Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Wayne County coverage will not be affected.

If you do decide to enroll in a Medicare prescription drug plan and drop your Charter County of Wayne coverage, be aware that you and your dependents may not be able to get this coverage back.

Please contact the Wayne County Benefits Administration Division for more information about what happens to your coverage if you enroll in a Medicare prescription drug plan.

When Will You Pay a Higher Premium (Penalty) to Join a Medicare Drug Plan?

You should also know that if you drop or lose your coverage with Wayne County and don’t join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without prescription drug coverage that’s at least as good as Medicare’s prescription drug coverage, your monthly premium may go up by at least 1% of the base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without coverage, your premium may consistently be at least 19% higher than the base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.
