II. POLICY PROVISIONS

Commitment

Wayne County recognizes that our employees are our greatest asset and aims to attract and retain people with diverse skills, experience and background to deliver high quality services. A workforce that reflects the diversity of our employees and communities will be better able to understand the needs of its customers and be able to offer responsive services to the citizens of Wayne County.

Wayne County respects people as individuals and values their differences. It is committed to creating a working environment that is fair and flexible, promotes personal and professional growth, and benefits from the capabilities of its diverse workforce.

The Workforce Diversity Policy guides the development and implementation of relevant plans, programs and initiatives that recognize and promote workforce diversity across all work areas of Wayne County.

Definition

Diversity in the context of Wayne County primarily refers to the Equal Employment Opportunity (EEO) groups under-represented in our workforce.

Other dimensions of diversity include age diversity, career/family responsibilities, sexual orientation and socio-economic background.

Wayne County embraces workforce diversity as a source of strength. This is not only about increasing visible differences in the workforce, but more importantly it is about the strategic advantage that comes from incorporating a wide variety of capabilities, ideas and insights in our decision making, problem solving, policy development and service delivery. This gives
expression to several of the Wayne County’s Strategic Priorities. We will develop our employees and support them in delivering excellence.

The principles of EEO remain an important foundation for the Workforce Diversity Policy, plans, programs and initiatives. The EEO principles aim to: ensure that employees are selected for positions on merit; provide equitable access to employment, professional development and workplace participation and ensure that our workplace is free from all forms of unlawful discrimination and harassment.
